LIFEBOAT

a matter of life and death | john eleven:one-twelve:eleven

1. What's been the worst thing about sheltering in place so far? What are you most stressed about? What about it have you most enjoyed? How are you holding up in general?
2. What are some of the dumbest things you've seen people say or do so far in response to corona virus?
3. What does it look like to respond with wisdom as citizens of heaven? Specifically, what are practical ways you can choose:
 - Preparation not Panic
 - Service not Selfishness
 - Communication not Isolation
 - Prayer not Fear
4. Read II Kings 5. Which part of the story is the most important, the first half, when Naaman is healed, or the second half, which is all about the faith of Naaman and the faithlessness of Gehazi? What can we learn from this story that we can apply to what's happening now?
